Put It into Practice

Choose one primary growth step for the next two weeks. You may also select supporting actions.

_____ Encourage someone: Tell a developing team member what potential you see in them.

_____ Teach someone: Take time to explain something you know instead of simply doing it yourself.

_____ Pray with someone: Invest spiritually in a team member through personal prayer.

_____ Release responsibility: Give someone an appropriate opportunity to lead.

_____ Let someone learn by doing: Coach someone through a responsibility instead of taking over.

_____ Think generationally: Identify someone you can begin intentionally developing as a future leader.

Which growth step will you focus on, and why?
